**a) teaching-learning. viz., classrooms, laboratories, computing equipment etc.**

**Response:**

The college has sufficient infrastructure and physical facilities to complement the teaching and learning process so as to make it effective. The college also has adequate facilities and resources for various educational programs, administrative functions, and extension services. The college makes every attempt to facilitate all the stakeholders so as to impart quality education. The total campus of the college is spread over 3.0 acres of land. The college building is densely surrounded by beautiful green trees. These trees include Ashoka, Saptparni, Gulmohar, Bamboo, Subhabhul, Boganvel and Neem etc., and flower plants like Gulab, Son Chafa, Ratrani, etc., Fruit plants like, Mango, Sitaphal (Custard apple), Badam, etc. It has fourteen rooms. There are 6 classrooms with a sufficient number of windows which provide natural light so the classrooms hardly need artificial light. Though it is non-grant, the college has well-equipped laboratories for Computer. There is one ICT-enabled classroom, which, the faculty members use for various courses as per the need. The college is equipped with laptops, LCD projector, photocopier, printers, scanner and internet connections. The college has a multipurpose hall to organize the programs like guest lectures, seminars, conferences, and others. A large open ground in the premises is also utilized for conducting social and cultural activities as well as Indoor games. There is a spacious playground encircled with beautiful green trees, where different games and sports activities are conducted. The college has a separate section for administration with separate counters for the students and a Principal's cabin. The partially automated library with internet facility, having adequate space, significant number of books and journals, and other support facilities available. The college library has **total 3015** books comprising reference books and text books. It is also equipped with journals, magazines, e-books, and other e-resources. The college building comprises separate toilet facilities for boys, girls, ladies and gents' staff. The college has one submersible bore wells in the campus which ensure the uninterrupted supply of water. The college also has a water purifier and water-cooler to cater to the needs of the students and the staff. For the girl students and ladies' staff, the college has established a well-conditioned wending machine. For the convenience of all stakeholder, college has a sufficient parking place in the ground.

**Library:**

The college has a spacious and well-ventilated library with a collection of **3015** reference books and textbooks, 4 periodicals, 06 newspapers. The library and reading hall have a good capacity where 20 users can seat and study comfortably. The library provides INFLIBNET, Shodhganga, Autolib library software and computers with internet facility for students and teachers.

**Gymkhana:**

The college has the separate expansive gymkhana wing for the student's overall development. Gymkhana provides the facilities including indoor and outdoor games and motivates the

student to participate in various sport events. The college has provided separate Gymkhana to the student for exercise. The gymkhana committee manages all the sports activities at the college and encourages the students to participate in university and state level competitions. It helps students to show their inherent talent and enhances sports culture among them.

**Computing Equipment:**

The college has 40/20 computer systems for the students and the faculty members for their academic and extracurricular work. The college has two LCD projectors for effective ICT enabled teaching-learning. The college also offers Xerox facilities to the students within the college premise only. All the departments and computer labs are connected with 100 Mbps bandwidth. Computer labs, networking centers, various software and tools are available for facilitating the teaching and learning process.
